The Taxpayer Advocate Service (TAS) will be available to assist taxpayers in person with tax problems they have not been able to resolve with the IRS. Our goal is to provide one to one guidance and direction on next steps to resolve your tax issue. If your tax problem meets our criteria, we'll assign a Case Advocate to work with you to resolve your tax issue.

The Manhattan Taxpayer Advocate Service offices will be available during this Problem Solving Day event to assist taxpayers with unresolved IRS tax issues on May 16th from 1:00 to 5:00 PM at New York Life Insurance Company, The Graybar Building, 15th Floor New York, NY.

The Taxpayer Advocate Service is an **independent** organization within the Internal Revenue Service that helps taxpayers and protects taxpayer rights. We help taxpayers whose problems with the IRS are causing financial difficulties, who've tried but haven't been able to resolve their problems with the IRS, or believe an IRS system or procedure isn't working as it should. And our service is **free**.
