The Taxpayer Advocate Service (TAS) will be available to assist taxpayers in person with tax problems they haven't been able to resolve with the IRS. Our goal is to provide one to one guidance and direction on next steps to resolve your tax issue. If your tax problem meets our criteria, we'll assign a Case Advocate to work with you to resolve your tax issue.

The Taxpayer Advocate Service will be available to assist taxpayers who are having financial hardships and who haven't been able to resolve their tax problems with the IRS at the National Association of Tax Professionals Conference. This event will be held at the Anaheim Marriott Hotel located at 700 West Convention Way in Anaheim. TAS employees will be in the Exposition Hall.

The Taxpayer Advocate Service is an *independent* organization within the Internal Revenue Service that helps taxpayers and protects taxpayer rights. We help taxpayers whose problems with the IRS are causing financial difficulties, who've tried but haven't been able to resolve their problems with the IRS, or believe an IRS system or procedure isn't working as it should. And our service is **free**.
