The Taxpayer Advocate Service (TAS) will be available to assist practitioners with clients' tax problems they've been unable to resolve with the IRS. Our goal is to provide personalized, step by step guidance and case building ideas specific to your clients' tax matter. If your clients' tax problem meets our criteria, we'll assign a Case Advocate to work directly with you.

TAS's Problem Solving Day event will be held at El Paso Community College ASC, Building B – #336, 9050 Viscount Blvd., El Paso, TX from 10:00 am-3:30 pm MST.

The Regional Practitioner Meeting does require registration. You can find more information about the forum at [www.elpasosbdc.net](http://www.elpasosbdc.net). For the most effective service, please bring a copy of your signed IRS form 2848, Power of Attorney, to ensure we can speak to you about the specifics of your client's case.

The Taxpayer Advocate Service is an **independent** organization within the Internal Revenue Service. TAS helps taxpayers resolve tax problems, recommends changes to prevent future tax problems, and protects taxpayer rights. TAS's **services are free** to taxpayers who are:

- Experiencing a financial hardship or having financial difficulties because of a tax problem;
- Trying, but haven't been able to resolve an IRS tax problem; or
- Believing an IRS system or procedure isn't working.
