The Taxpayer Advocate Service (TAS) will be available to assist taxpayers in person with tax problems they haven't been able to resolve with the IRS. Our goal is to provide one to one guidance and direction on next steps to resolve your issue. If your tax problem meets our criteria, we'll assign a Case Advocate to work with you to resolve your issue.

Congresswoman Linda Sanchez is hosting 16th Annual Senior Fair at Cerritos College – Gymnasium on Friday, August 10 from 9:00 AM to 12:00 PM. TAS employees will be available to assist taxpayers who are having financial hardships and who haven't been able to resolve their tax problems with the IRS.

The Taxpayer Advocate Service is an **independent** organization within the Internal Revenue Service that helps taxpayers and protects taxpayer rights. We help taxpayers whose problems with the IRS are causing financial difficulties, who've tried but haven't been able to resolve their problems with the IRS, or believe an IRS system or procedure isn't working as it should. And our service is **free**.
