The Taxpayer Advocate Service (TAS) will be available to assist practitioners in person with tax problems they haven't been able to resolve with the IRS. Our goal is to provide one on one guidance, direction on next steps, and case building ideas so you can help your clients. If your client's tax problems meet our criteria, we'll assign a Case Advocate to work with you to resolve your client's tax issue.

Traci Wilnerd, Kansas Local Taxpayer Advocate, is part of the symposium agenda and will present updates about the Taxpayer Advocate Service. TAS employees will be available at the Johnson County Community College, Regnier Center in Room 101 on August 23 to meet with practitioners from 10:00 a.m. – 1:30 p.m. You can make an appointment by calling 316-651-2104.

The Taxpayer Advocate Service is an **independent** organization within the Internal Revenue Service that helps taxpayers and protects taxpayer rights. We help taxpayers whose problems with the IRS are causing financial difficulties, who've tried but haven't been able to resolve their problems with the IRS, or believe an IRS system or procedure isn't working as it should. And our service is **free**.
