Problem Solving Day

The Taxpayer Advocate Service (TAS) will be available to assist practitioners with clients' tax problems they've been unable to resolve with the IRS. Our goal is to provide personalized, step by step guidance and case building ideas specific to your clients' tax matter. If your clients' tax problem meets our criteria, we'll assign a Case Advocate to work directly with you.

Meet leading state and local tax experts and officials from Department of Finance (DOF), the NYS Department of Taxation and Finance and the IRS. Hear discussions on the latest tax issues critical to tax specialists. Attendees will also have an opportunity to meet with representatives from the DOF Office of the Taxpayer Advocate and Business Tax Services.

The Manhattan and Brooklyn Taxpayer Advocate Service offices will conduct a Problem-Solving Day at the event to assist practitioners with unresolved IRS tax issues.

The Taxpayer Advocate Service is an **independent** organization within the Internal Revenue Service. TAS helps taxpayers resolve tax problems, recommends changes to prevent future tax problems, and protects taxpayer rights. TAS's **services are free** to taxpayers who are:

- Experiencing a financial hardship or having financial difficulties because of a tax problem;
- Trying, but haven't been able to resolve an IRS tax problem; or
- Believing an IRS system or procedure isn't working.
