

Have a tax problem you haven't been able to resolve with the IRS? The **Taxpayer Advocate Service** will assist taxpayers in person at its upcoming

Problem Solving Day

What: Problem Solving Day
Where: Margaritaville Hotel & Resort, Biloxi, MS
When: October 21, 2019, from 1:00 p.m. to 5:00 p.m.
Partners: MS Society of Enrolled Agents and the MS Chapter of the National Association of Tax Professionals

The Taxpayer Advocate Service (TAS) will be available to assist practitioners with clients' tax problems they've been unable to resolve with the IRS. Our goal is to provide personalized, step by step guidance and case building ideas specific to your clients' tax matter. If your clients' tax problem meets our criteria, we'll assign a Case Advocate to work directly with you.

TAS's Problem Solving Day event will be held at the Margaritaville Hotel & Resort in partnership with the MS Society of Enrolled Agents and MS Chapter of the National Association of Tax Professionals. TAS employees will be available to discuss client issues; no appointment is necessary. If you bring specific client information, you must bring the Power of Attorney (POA) with you so TAS employees can assist you. If you do not have a POA on file, TAS employees may still be able to assist you with general information.

The Taxpayer Advocate Service is an **independent** organization within the Internal Revenue Service. TAS helps taxpayers resolve tax problems, recommends changes to prevent future tax problems, and protects taxpayer rights. TAS's **services are free** to taxpayers who are:

- Experiencing a financial hardship or having financial difficulties because of a tax problem;
- Trying, but haven't been able to resolve an IRS tax problem; or
- Believing an IRS system or procedure isn't working.
