with the IRS? The **Taxpayer Advocate Service**
will assist practitioners in person at its upcoming
Problem Solving Day

When: October 25, 2018, 8:00 a.m. – 2:30 p.m.

The Taxpayer Advocate Service (TAS) will be available to assist practitioners with clients' tax problems they've been unable to resolve with the IRS. Our goal is to provide personalized, step by step guidance and case building ideas specific to your clients' tax matter. If your clients' tax problem meets our criteria, we'll assign a Case Advocate to work directly with you.

The Mile High Chapter of the Public Accountants Society of Colorado is hosting this event that includes various IRS speakers who will provide information on current topics. Colorado Local Taxpayer Advocate Catherine Schum will provide Taxpayer Advocate Service updates during the seminar. TAS employees will assist registered attendees during this event. For information on the seminar, please call Leota B. Jensen at (303) 841-4544, or inquire by email at ole557@aol.com.

TAS's Problem Solving Day event will be held at the 2018 IRS Tax Update Seminar.
