The Taxpayer Advocate Service (TAS) will be available to assist practitioners with clients' tax problems they've been unable to resolve with the IRS. Our goal is to provide personalized, step by step guidance and case building ideas specific to your clients' tax matter. If your clients' tax problem meets our criteria, we'll assign a Case Advocate to work directly with you.

TAS's Problem Solving Day event will be held in conjunction with the IRS Tax Practitioner Symposium at Café La Cave in Des Plaines on Wednesday, November 7, 2018 from 9:00m to 4:00pm, where the Local Taxpayer Advocate for the Chicago area will present: *The Taxpayer Advocate Service: Your Voice at the IRS*. The Symposium will also include the popular Live Assistance Room, where TAS representatives will assist with your special cases that you can't seem to close.

The Taxpayer Advocate Service is an **independent** organization within the Internal Revenue Service. TAS helps taxpayers resolve tax problems, recommends changes to prevent future tax problems, and protects taxpayer rights. TAS's **services are free** to taxpayers who are:

- Experiencing a financial hardship or having financial difficulties because of a tax problem;
- Trying, but haven't been able to resolve an IRS tax problem; or
- Believing an IRS system or procedure isn't working.
