The Taxpayer Advocate Service (TAS) will be available to assist practitioners with clients' tax problems they've been unable to resolve with the IRS. Our goal is to provide personalized, step by step guidance and case building ideas specific to your clients' tax matter. If your clients' tax problem meets our criteria, we'll assign a Case Advocate to work directly with you.

No appointment is necessary. If you are a practitioner, bring specific client information; and you must have a Power of Attorney (POA) on record with the IRS or bring the POA with you, so TAS can access individual accounts. If you do not have a POA on file, TAS may still be able to assist with general information/questions. Individuals and/or practitioners not attending the seminar are welcome to visit the TAS booth.

The Taxpayer Advocate Service is an **independent** organization within the Internal Revenue Service. TAS helps taxpayers resolve tax problems, recommends changes to prevent future tax problems, and protects taxpayer rights. TAS's **services are free** to taxpayers who are:

- Experiencing a financial hardship or having financial difficulties because of a tax problem;
- Trying, but haven't been able to resolve an IRS tax problem; or
- Believing an IRS system or procedure isn't working.
