

Have a tax problem you haven't been able to resolve
with the IRS? The **Taxpayer Advocate Service**
will assist practitioners in person at its upcoming

Problem Solving Day

What: TAS Problem Solving Day at the 43rd Annual Fed/State Tax Institute
Where: University of Delaware, 100 David Hollowell Drive, Newark, DE 19716
When: Friday, December 13, 2019, 9:00am – 3:00pm
Partners: IRS SB/SE Stakeholders and Delaware Division of Revenue

The Taxpayer Advocate Service (TAS) will be available to assist practitioners with clients' tax problems they've been unable to resolve with the IRS. Our goal is to provide personalized, step by step guidance and case building ideas specific to your clients' tax matter. If your clients' tax problem meets our criteria, we'll assign a Case Advocate to work directly with you.

The Delaware TAS Local Taxpayer Advocate and staff members will be onsite to meet with registered tax practitioners. No appointment is necessary. Representatives will need to have a valid Power of Attorney (POA) on file with the IRS or can bring their client's signed Form 2848 or 8821. TAS may still be able to assist with general information if a valid POA is not on file or presented.

The Taxpayer Advocate Service is an **independent** organization within the Internal Revenue Service. TAS helps taxpayers resolve tax problems, recommends changes to prevent future tax problems, and protects taxpayer rights. TAS's **services are free** to taxpayers who are:

- Experiencing a financial hardship or having financial difficulties because of a tax problem;
- Trying, but haven't been able to resolve an IRS tax problem; or
- Believing an IRS system or procedure isn't working.
