The Taxpayer Advocate Service (TAS) will be available to help taxpayers in person with tax problems they have not been able to resolve with the IRS. Our goal is to provide one-on-one guidance and direction on next steps to resolve your issue. If your tax problem meets our criteria, we'll assign a Case Advocate to work with you to resolve your issue.

In partnership with Hispanic Unity of Florida, TAS employees will be available to assist taxpayers on Saturday April 14, 2018, from 9:00 a.m. – 12:00 p.m.

The Taxpayer Advocate Service is an *independent* organization within the Internal Revenue Service that helps taxpayers and protects taxpayer rights. We help taxpayers whose problems with the IRS are causing financial difficulties, who've tried but haven't been able to resolve their problems with the IRS, or believe an IRS system or procedure isn't working as it should. And our service is **free**.
