The Taxpayer Advocate Service (TAS) will present information for identity theft awareness. TAS will be available to assist taxpayers in person with tax problems they have not been able to resolve with the IRS. Our goal is to provide one to one guidance, direction on next steps, and education to help you resolve your issue. If your tax problem meets our criteria, we'll assign a Case Advocate to work with you to resolve your issue. Also, find out how a Low Income Taxpayer Clinic (LITC) can help you with tax matters. No appointment is necessary.

The Taxpayer Advocate Service is an **independent** organization within the Internal Revenue Service that helps taxpayers and protects taxpayer rights. We help taxpayers whose problems with the IRS are causing financial difficulties, who've tried but haven't been able to resolve their problems with the IRS, or believe an IRS system or procedure isn't working as it should. And our service is **free**.
