If your tax problem meets our criteria, we'll assign a Case Advocate to work with you to resolve your issue.

The Senior Justice and Wellness Expo provides local seniors the ability to meet with those that work within various law and medical fields and to receive on-site service and advice. Fields such as: senior law, home health services, taxpayer advocacy, senior fitness, wellness information and screenings, and much more. TAS employees will be available to assist taxpayers who are having financial hardships and who haven't been able to resolve their problems with the IRS.

The Taxpayer Advocate Service is an **independent** organization within the Internal Revenue Service that helps taxpayers and protects taxpayer rights. We help taxpayers whose problems with the IRS are causing financial difficulties, who've tried but haven't been able to resolve their problems with the IRS, or believe an IRS system or procedure isn't working as it should. And our service is **free**.
