The Taxpayer Advocate Service (TAS) will be available to assist military taxpayers, in person, with tax problems they have not been able to resolve with the IRS. Military taxpayers often have unique circumstances and need personal tax assistance. Our goal is to provide military taxpayers one on one direction to resolve their tax issues. If their tax problem meets our criteria, we will assign a Case Advocate to work their problem.

TAS employees will staff a table at the Cheyenne VA Medical Center on April 23, 9:00am – 12:00pm. They will also be available at the TAS office located at 5353 Yellowstone Road during the same timeframe. You may also call the local TAS office at 307-823-6866.

The Taxpayer Advocate Service is an **independent** organization within the Internal Revenue Service that helps taxpayers and protects taxpayer rights. We help taxpayers whose problems with the IRS are causing financial difficulties, who have tried but have not been able to resolve their problems.
